## Event Medical Coverage – First Responders

UniSport Australia has appointed [Sports Medicine Australia \(SMA\)](#) to provide the official event medical coverage. They are the designated first-responders to all injuries that occur on the field of play.

SMA-supplied Sports Trainers have current HLTAID009 – Provide CPR and HLTAID011 – Provide First Aid qualifications along with a minimum of Level 1 Sports Trainer accreditation. An SMA-accredited Sports Trainer is not simply a First Aider, but an individual with experience in managing sporting injuries and incidents, trained to provide quality, immediate injury care to athletes.

SMA Sports Trainers have skills and knowledge in the areas of sports taping, soft tissue injuries, on-field transport, stings, and allergies, as well as first aid skills such as CPR, wound and fracture management. Sports Trainers have access to the latest SMA policies and guidelines such as the SMA Concussion in Sport Policy and Extreme Heat Policy.

Level 1 Sports Trainers have received education including:

- Concussion Management
- Sports Taping (Ankle, Thumb and Finger)
- Transport of the Injured Athlete
- Nutrition and Hydration
- Drugs in Sport

Level 2 Sports Trainers are the most experienced, completing at least 50 hours of experience in an on-field role and proficient in all Level 1 Sports Trainer content as well as:

- Advanced Sports Taping (Knee, Shoulder, Elbow and Achilles)
- Spinal Injury Management
- Injury Prevention Programs
- Concussion Management
- Sports Massage
- Wound Management
- Athlete Wellbeing and Mental Health
